

# Capital Area Science and Engineering Fair

## 2011 PROJECT ABSTRACT/EXHIBIT Certification *(Complete &*

*Submit with Student Exhibitor Entry Form to Tim Ritter no later than Feb. 11, 2011)*

**PROJECT TITLE** \_\_\_\_\_

IMPORTANT: The Project Abstract portion of this form MUST be completed and Submitted with the Student Exhibitor Entry Form by February 11, 2011. This form will be returned to entering students when they set up their projects at Whitaker Center on March 2, 2011, in order that the project certification, at bottom, can be checked and signed by a CASEF certifier. This form must be displayed with the project at all times. To avoid disqualification, exhibits must meet certification requirements as stated in the international rules.

### EXPLANATION OF PROJECT (Please Type):

---

## CASEF PROJECT CERTIFICATION

*(to be completed by CASEF Certifier during set up of projects on March 2, 2011 at Whitaker Center)*

- \_\_\_\_\_ 1. Conforms to maximum size, 42 inches wide for senior projects and 36 inches wide for junior projects; all projects 30 inches deep and nine feet high and no more than 250 lbs in weight.
- \_\_\_\_\_ 2. Construction of project self-supporting. All valuable items secured to project.
- \_\_\_\_\_ 3. If electricity is needed, a ground extension cord must be provided by student exhibitor.
- \_\_\_\_\_ 4. No living organisms (including plants, animals, microbes); preserved vertebrate or invertebrate animals (including embryos); dried plant materials; taxidermy specimens or parts; human or animal parts; and human or animal food are exhibited.
- \_\_\_\_\_ 5. No soil or waste samples; chemicals (including water); poisons, drugs, controlled substances; dry ice or other sublimating substances; flammable or combustible materials, liquids of gases; and sharp items are displayed.
- \_\_\_\_\_ 6. Research Plan/Approval Form and Checklist/Safety Assessment Form were completed and attached to entry form.
- \_\_\_\_\_ 7. All certification forms for working with humans, vertebrate animals, tissue, recombinant DNA, pathogenic agents and controlled substances were properly completed and submitted, if necessary.
- \_\_\_\_\_ 8. Student name and school is not visible on display.
- \_\_\_\_\_ 9. I understand that my project must stay on exhibit until after the awards ceremony.  
I have initialed this form to that effect.
