**FOR IMMEDIATE RELEASE****GET THE LED OUT Returns to Rock Whitaker Center this fall with Three Show Dates**

*Popular Led Zeppelin Act Brings Authentic Experience to Harrisburg*

Harrisburg, PA- For three nights, Get The Led Out rocks Whitaker Center's Sunoco Performance Theater with their signature Led Zeppelin experience. The show is presented in association with BRE Presents on Thursday, December 5, Friday, December 6 and Saturday, December 7. All shows are at 8:00pm.

From the bombastic and epic, to the folky and mystical, Get The Led Out (GTLO) have captured the essence of the recorded music of Led Zeppelin and brought it to the concert stage. The Philadelphia-based group consists of six veteran musicians intent on delivering Led Zeppelin live, like you've never heard before. Utilizing the multi-instrumentalists at their disposal, GTLO re-create the songs in all their depth and glory with the studio overdubs that Zeppelin themselves never performed.

Get The Led Out offers a strong focus on the early years. They also touch on the deeper cuts that were seldom, if ever heard in concert. GTLO also include a special "acoustic set" with Zep favorites such as "Tangerine" and the "Battle of Evermore" being performed in its' original instrumentation with guest singer Diana DeSantis joining the band. GTLO has amassed a strong national touring history, having performed at major club and PAC venues across the country. GTLO's approach to their performance of this hallowed catalog is not unlike a classical performance.

A GTLO concert mimics the "light and shade" that are the embodiment of "The Mighty Zep." Whether it's the passion and fury with which they deliver the blues-soaked, groove-driven rock anthems, it's their attention to detail and nuance that makes a Get The Led Out performance a truly awe-inspiring event!
