FOR IMMEDIATE RELEASE**Soulful Southern Septet JJ GREY & MOFRO to Play Harrisburg this spring**

JJ Grey concocts a vivid blend of blues, Southern rock and funk, complete with richly evocative lyrics

Harrisburg, PA- Whitaker Center presents JJ GREY & MOFRO in Sunoco Performance Theater on Wednesday, March 6, 2019 @ 7:30pm. This show is presented by Capital BlueCross.

A true Southern renaissance man, JJ Grey's intensely charismatic live performances, combined with the incredible musicianship of Mofro, have connected with audiences all over the world. Their work has been praised by the press, including *The New York Times*, *Wall Street Journal*, NPR, *Relix*, *The Oxford American* and many more.

The material on 2014's *O' Glory* reflects two themes that run through JJ Grey & Mofro's entire body of work; a strong sense of place, and finding happiness with where you are in life. JJ Grey is a natural storyteller with a gift for delivering thoughtful and profound messages in a down-to-earth, laid-back way, while maintaining a level of intensity that goes straight to your core.

JJ Grey & Mofro have captivated audiences at some of the largest festivals worldwide, including Lollapalooza, Bonnaroo, Austin City Limits Festival, Glastonbury, North Sea Festival, Montreal Jazz Festival and Fuji Rock in Japan. The band, who play over 120 dates per year, will be hitting the road next year to do what they do best: play genuinely great music for their fans.
